

CERTIFICATE OF REGISTRATION

This is to certify that

PAS Technologies Inc.

1234 Atlantic St. - Bldg. #1, #2 & #3, N Kansas City, Missouri 64116-4142 USA

operates a

Quality Management System

which complies with the requirements of

ISO 9001:2008 + AS9100B

The above organization has been audited in accordance with the requirements of AS9104A.
SAI Global Certification Services Pty Ltd is accredited by ANAB under the Americas Registration Management Program.

for the following scope of registration

The Registration covers the Quality Management System for the repair and overhaul of jet engine components/assemblies, (i.e. fan blades, fan rotor assemblies, compressor blades, variable vanes, carbon seals and bearing assemblies) and airframe components (i.e. wing slats and flap tracks) via thermal spray coatings, including plasma, detonation gun (D-Gun) and High Velocity Oxy-Fuel (HVOF), welding, heat treatment, machining, forming, surface finishing, peening, dynamic balancing, and visual, dimensional, and NDT inspections, to documented aviation repair schemes and manufacturing requirements. Kansas City site: Design of repairs for the previously listed aircraft components.
