PAS TECHNOLOGIES ANNOUNCES ERIC YEO APPOINTED SENIOR MANAGER SALES & MARKETING, ASIAN SURFACE TECHNOLOGIES

Kansas City, MO., – August 15, 2007 – PAS Technologies Inc., has hired Eric Yeo as senior manager, sales and marketing for Asian Surface Technologies Pte Ltd. In this role, Eric will have responsibility for the sales and marketing activities of Asian Surface Technologies Pte. Ltd (AST), the Singapore-based joint venture of PAS Technologies, SIA Engineering Company and Pratt & Whitney. Mr. Yeo will report to Thomas Tan, managing director for AST.

Eric Yeo

"Eric comes to us with a wealth of experience ranging from marketing to production to assets management," said Tan. "He was responsible for the TOS success in rotatable pool management with customers and was considered a pioneer in that field. He is well known by customers in the Asia Pacific Region and will strengthen the AST /PAS leadership team in Asia Pacific."

Eric previously worked 17 years for Turbine Overhaul Services Pte Ltd responsible for Assets Management program with customers. After that he spent some time running his own Sales & Marketing Company. Most recently he worked for ST Engines in charge of their repair section.

A privately held corporation headquartered in North Kansas City, Missouri, PAS Technologies Inc. (www.pas-technologies.com), specializes in providing cost-effective repair and overhaul solutions for the aerospace and industrial markets. By using innovative and proprietary high-technology repair processes, along with repair solutions licensed from OEMs, the company saves its customers from having to purchase costly replacement parts. It services a broad range of components, including gas turbine engines, critical
