## **JEFF WAGONER NAMED DIRECTOR MILITARY BUSINESS AND STRATEGIC SALES FOR PAS TECHNOLOGIES**

**Kansas City, Mo. – April 9, 2007** – PAS Technologies Inc., announces the appointment of Jeff Wagoner as director of military business and strategic sales. Jeff reports to Brian Rasmussen, vice president sales and marketing and takes part as an extended member of the Executive Leadership team.

Two of Jeff's main goals as Director include working with the military team to grow the government business and continuing the maturity of the Lean Enterprise process excellence side of sales as well as being involved with strategic sales initiatives including processes, growth and support of the customer. In this continuous improvement role, Jeff will have a dotted line to Dan Fayer, vice president of quality, process excellence and customer service.

*Jeff Wagoner*

Jeff has over 27 years of experience in the field of operations, marketing and continuous improvement. He began his career in 1980 with Union Carbide Coatings Service in Kansas City, Missouri, and has held numerous key management positions with Praxair Surface Technologies and Pratt & Whitney including General Manager, Sales/Marketing Director, Vice President New Business Development and Continuous Improvement Director. For the past seven years, Jeff has owned and operated his own consulting business providing clients with total continuous improvement events from production flow lines, senior management practices, and business process changes.

“I am thrilled to have Jeff join our team,” said Rasmussen. “His high-energy and background will be beneficial to the role of solicitation of new opportunities to work with the military which is a major
